## **A Note from the Director**

The Enfield Senior Center continues to improve the lives of older adults in the Enfield community. New, cutting edge services like accepting Silver Sneakers insurance in the PRIME Fitness Center, installing outdoor fitness equipment on the Senior Center Walking Trail, refreshing the Computer Room to reflect current technology training, and adding classes and groups that meet the needs of all community seniors have been added. We continue to value communication through a wide newsletter distribution, use of social and print media, and ongoing participant satisfaction surveys.

The Enfield Senior Center likes to have fun, too. We tried speed dating, traveled to new locations, and had some great dances and entertainment.

Every year brings us new challenges and opportunities to innovate. The staff of the Enfield Senior Center remains true to our Mission Statement.

*As a focal point for aging services, the Enfield Senior Center provides social, educational, and recreational opportunities to enrich the mind, body and spirit of older adults in an open and accepting atmosphere.*

Director
